Re: patent application No. 10/715,045

Dear Mr. Pan,

On April 23 2008, we (Creative Signal Solutions Inc.) were disappointed to receive a "Notice of Abandonment" for the above referenced patent application from the U.S. Patent Office. The reason for the abandonment was stated that "no reply has been received" to a correspondence dated September 11 2007. Unfortunately, we did not receive this communication, and we need to know what was stated. Therefore, we would respectfully request a copy of this communication be sent to us, please? Thank you.

Yours sincerely,

Ken E. Scott., Ph.D.,

Chief Technology Officer,
Creative Signal Solutions Inc.
